**SENIORS UNITED CREED**

**ESTABLISHED BY JULIAN AND LILIAN WALLACE**

*Seniors United was created as an inspirational medium for seniors. It's  
purpose is to educate, promote and protect the rights of seniors.*

*The needs of seniors differ from younger citizens. It is important to  
have an organization devoted to our place in the community and to  
promote it's continued growth.*

*The members of Seniors United want to share experiences with  
others. Nonpartisan and nonsectarian, we are very actively involved  
in the political structure of our state and country. Forums are varied  
to benefit the needs of the community and to discuss political issues.  
Guest speakers come from all areas.*

*It is with pride that we are seniors and are doubly proud to be  
members of Seniors United. The pride continues in our many  
accomplishments and in the good name we have established in the  
community. Our goal is to develop plans for a great tomorrow and to  
make it happen.*

*Everyone is welcome, young to old and from every walk of life.*

*Happy Valentines Day!*

President's Day is something of an odd holiday, given that there is no universal agreement on which presidents are being honored, on the actual name of the holiday or whether there is an apostrophe in "presidents."

To the U.S. government, Presidents' Day is still recognized as "Washington's Birthday," though in some states the day jointly honors the birthdays of Washington, born Feb 22nd and Abraham Lincoln Born Feb 12th. And in other states the day is meant to honor Washington and Thomas Jefferson but not Lincoln—or all the presidents.
